SEA ME READ: Smiley Shark

- by [Mote Marine Laboratory - SEAtrek](#)
SMILE! Join us on an ocean adventure and meet a lonely shark who loves to smile. Read along as we help him save the day and find some friends. Grades PreK-3

Life Science: Sea Turtles

- by [Mote Marine Laboratory - SEAtrek](#)
Learners participate in an interactive video lesson about sea turtles through a guided game show format. This is followed by an open Q&A chat with our ocean expert.

Grades 6-8

Life Science: Manatees

- by [Mote Marine Laboratory - SEAtrek](#)
Do you know how to train a 3000-pound relative of the elephant? Find out how Mote Marine Laboratory cares for Hugh and Buf fett, our resident Florida manatees, and learn how big and smart they are. Grades 3-12

Duration: 30-60 minutes

Program Cost: \$80 Paid by NWECS
